

Endorsement of Rick Soucy for Genoa Township Clerk

To the Residents of Genoa Township,

It is my privilege to enthusiastically endorse Rick Soucy for re-election as Genoa Township Clerk.

Rick has demonstrated the integrity, professionalism, and commitment to public service that our community deserves. His record reflects a lifetime of leadership, service, and dedication—not only to Genoa Township, but to the greater Brighton community. Rick and his wife Susan have raised a wonderful family, with five children and three grandchildren. They have proudly called Brighton home for the past 20 years, giving them a deep understanding of the needs and values of our community.

His commitment to civic engagement is evident through his service on the Board of Directors for the Brighton Center for the Performing Arts (BCPA), as well as his active membership in both the Brighton Optimist Club and the Brighton Area Chamber of Commerce. These organizations strengthen our community, and Rick has consistently stepped forward to serve.

As Genoa Township Clerk since 2025, after previously serving as a Township Trustee from 2024–2025, Rick has shown he is committed to transparent, responsive, and accountable local government.

Rick also brings decades of executive and business leadership to public office. He previously served as CEO of Consolidated Chemical Company in Honolulu, Hawaii, was a partner with Zoom Media—an international advertising company—and was a Managing Partner with Admen Partners Investments, overseeing real estate investments across several states. Today, he continues serving as Division Manager for National Write Your Congressman, a respected 68-year-old non-partisan legislative research organization.

This combination of business experience, community involvement, and proven public service gives Rick the perspective and leadership necessary to continue serving Genoa Township with distinction. I have every confidence that Rick will continue making thoughtful, responsible decisions that put the interests of our residents first.

On August 4th, I encourage every eligible voter to get out and vote for Rick Soucy for Genoa Township Clerk.

Sincerely,

Mike Detmer
