

I am proud to endorse Rick Soucy for Genoa Township Clerk.

Having worked closely with Rick since his appointment as our Township Clerk in November 2025, I have witnessed his incredible dedication firsthand. Although the role has a steep learning curve, Rick jumped in with an outstanding work ethic. He immediately took specialized training classes, mastered the complex duties of the office, and truly stepped up to the position.

Rick is a wonderful person to work alongside. He has proven to be a strong asset to the Genoa Township community because he deeply values and believes in the township staff. Please join me in supporting Rick Soucy to continue his excellent work as our Township Clerk !
